("**Borsa Italiana**") closed early immediately after the opening of the offering period, this morning at 9:00 CET, having reached the maximum amount of the Offering of € 200 million.

In particular, the Bonds were sold for a total amount of € 200,000,000 at an issue price of 100% of the nominal value, represented by no. 200,000 Bonds with a nominal value of € 1,000 each. The gross proceeds of the Offer will amount to € 200,000,000.

The Issue Date of the Bonds, which corresponds to both the date on which investors will pay the Issue Price of the Bonds, and the date on which interest on the Bonds will begin to accrue, will be 19 February 2021. The maturity date of the Bonds is therefore 19 February 2027.

The Executive Chairman of the Company, Angelo Mastrolia, commented: *"We are very satisfied and proud of the great success of our first bond loan, which reached the maximum offer threshold in a few minutes thanks to a large and diversified parterre of institutional investors. The financial resources raised will allow the Company to intensify its M&A activities, both in Italy and abroad and to focus on potential targets of significant size, so to accelerate the achievement of the goal of € 1 billion in consolidated revenues; this is a very important milestone to continue in the value creation process for all our stakeholders and, in particular, for our shareholders."*

Equita SIM S.p.A. acted as the placement agent of the Offering and was appointed by the Company as a specialist in the purchase of the Bond loans following the start of the negotiation of the Bonds on the MOT.
