Spirito di Napoli

Yes, we're Italian, but our home is Naples.
It's a small detail but, like rosemary and rock salt
on your focaccia, a delicious one.

When our founder, Marino Iandiorio,
launched Napolina (little Naples) in 1965, he wanted
to bring the vibrant flavours of Naples to your table.
Our passion for the best has been simmering
beneath Mount Vesuvius ever since.

We swirl love and seasoned expertise throughout our selective and spirited range: sun-rich, juicy tomatoes, pasta true to form, enriched oil and pulses. We call them our not-so-humble ingredients because confident flavour needs confident, crafted ingredients that are the heroes of your dish. Ours are exceptional.

Fifty years on, our products have been licked clean
from dishes the world over and we are proud to be the
UK's No.1 Italian cooking brand.
